

Social Work Support

Building On Your Strengths. Supporting You Through Challenges.

Fees

Services of MSW are not covered by OHIP but may be covered by your extended health benefits for full or partial reimbursement for counseling services. If your health benefits package does not cover services by a MSW, I encourage you to ask your benefit carrier to have MSW services included. For services provided children or families, I am connected to a child/youth psychologist who for an additional fee will oversee your file, allowing you to have my services covered.

Fees vary depending on location of service provided, and services provided. Please contact Tricia directly for specific quote on fees. Sliding scale may be offered in cases of low-income households.

Consulting services are cost effective and offered on an hourly, per project, or retainer basis depending on your needs. Fees for training are affordable for organizations covering material, trainer's time, and transportation costs.

Clients are billed directly by invoice after a session as a receipt of service. Cash, cheque, or e-transfer is accepted as payment upon receipt of invoice.

24-hour notice is required for appointment cancellations, and when not provided a fee of \$40 will apply. If late for a session, you will be charged for the full session fee regardless of the length of session.

A \$15.00 penalty fee will be applied for NSF cheques.

Contact Tricia for further information about fees.

Tricia Porter, MSW, RSW.
